Congratulations?

?to Jim Abram. His application to Suncor Energy Foundation was approved for a Leadership Grant for \$750 in support of the Aurora Seniors Association's Volunteer Appreciation Day on April 30. They hope this contribution will assist our organization in fulfilling its fundraising goals. Suncor is proud to support Jim and the organization he serves in his community. This program recognizes volunteer leadership as an integral part of strengthening communities and allows us to further support those of us who get involved in this capacity.

Something new!
